

CARRBORO RECREATION AND PARKS COMMISSION –9/14/09

Members present: Doris Murrell, Eric Allman, Kevin Fuerst and Delores Clark. Guests: Steve Walls, potential member and Staff: Anita Jones-McNair.

Murrell called the meeting to order at 7:10 p.m.

Approval of Minutes

Murrell called for corrections or questions concerning the minutes of the last meeting, 6/01/09. There were no corrections or additions; therefore minutes were approved as presented.

Communications and/or Speakers from the Floor

Murrell called for communications and/or speakers from the floor. Jones-McNair mentioned that Orange County Partnership for Young Children received additional grant funding to continue the community garden at Martin Luther King Jr Park. She also mentioned that there has been no further discussion about installing a bee hive in the garden.

New Business

Murrell called for new business. None was presented at this meeting.

Old Business

Murrell called for old business. Allman provided a PowerPoint presentation of the Bolin Creek and Morgan Creek projects. Various members asked questions throughout the presentation.

Next, Murrell asked Walls if he had any questions and why he wanted to be a member of this commission? He did not have any questions based on information received and observation within this meeting. He shared with the commission that he was interested in being involved within a community recreation and parks setting. Murrell called for a vote to accept or deny Walls as a member of the Recreation and Parks Commission. Allman motioned to accept Walls as a new member and Clark seconded. The vote was unanimous.

Allman mentioned if anyone was interested in serving on the Bicycle Advocacy Group to let him know or contact Charlie Hileman. This is a group being formed to serve as a voice for the Bicycle plan.

Report by Chair and Director

Murrell called for the report of the chair and director. She mentioned that a summary of the CBM forum will be given at the next meeting. Jones-McNair announced fall registration is going well.
