EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: I have served as the Vice-Chair of the Energy Committee at the Atlanta office of the Sierra Club. There, I was responsible for helping to create a web page and establish policies regarding Sierra Club participation in community efforts and energy programs. I was also a member of the "Sierra Club and Beer" Advisory Committee, with duties including: advertising, recruitment, volunteer organization, and planning of events. During this time I helped this Sierra Club office with their "Community Green Power Program," which encouraged solar power use by local businesses and community centers. Coupled with work at the Bay Area chapter of the Sierra club as a campaign assistant, I have had substantial experience working one on one with community members, and a strong commitment to local efforts for environmentally conscious decisionmaking.

REASON(S) YOU WISH TO BE APPOINTED: The Environmental Advisory Board is making the decisions that are vital to the future of this community. I have quickly discovered the unique charm of Carrboro and believe that it is due to the town's commitment to a sustainable future. I firmly believe that I would be a benefit to this committee,

and would be honored to be involved. As a graduate student in Ecology here at UNC, I have been studying the unique challenges involved in integrating development and local politics with a clean environment. I hope to put some of this knowledge to work for the benefit of the community in Carrboro.

**HAVE YOU EVER SERVED ON ANY TOWN OF CARRBORO ADVISORY BOARD? IF "YES", WHICH ONE(S) I HAVE NEVER SERVED ON A BOARD IN CARRBORO.**
