**PURPOSE**

The purpose of this agenda item is for the Board of Aldermen to consider a report from the Orange Water and Sewer Authority (OWASA) on their draft Long-Range Water Supply Plan Update.

**INFORMATION**

In lieu of a presentation at the September 24th Assembly of Governments meeting, OWASA would like to present the highlights and recommendations of the draft Water Supply Plan Update to each of the affected governing boards and receive feedback before the end of the calendar year.

Effective long-range planning for an adequate, high quality water supply is one of OWASA’s highest priorities and obligations to the community. OWASA is also planning to hold a community meeting on November 11th at 7 PM in the Chapel Hill Town Hall to present the draft Water Supply Plan Update and receive feedback from customers and the general public.

**FISCAL IMPACT**

None.

**RECOMMENDATION**

Staff recommends that the board adopt the attached resolution accepting the report.
